Agenda Items

ITEM 1

Navy Briefing

Mr. Alan C. Kauffman, Navy, briefed the Committee on a new type destroyer designated the "Kynda Class" which [REDACTED] Although there is yet insufficient data available, it is possible that this new class destroyer may be the successor to the missile launching Krupnyy class destroyer. It was emphasized however, that it is much too early to be precise on either details of the ship or its ultimate mission.

ITEM 3

Schedule of Technical Working Group Meetings

The Committee in coordination with the Chairman of the Technical Working Group agreed to the following general schedule of additional meetings for the TWG :

Late July - (a) Evaluate data on technical aspects of some systems.

25X1B

Mid August - Evaluate new data on air launched (AA and ASM) missiles resulting from 9 July Moscow fly by and/or any other new information on these systems.

25X1C

Late August/  
Early September - Review material to be presented at [REDACTED] Technical Working Group meetings :  
(a) Sub Launched and Cruise Missile meeting scheduled for third week in September.  
(b) Air to Surface Meeting scheduled for second week in October. Much of the ASM review will have been accomplished in the mid-August meeting.

ITEM 4

Changes of NIE 11-5-61 and Other Missile Estimates

The Committee agreed that recent changes required as a result of new data would be incorporated in NIE 11-4-61 and that NIE 11-5-61 will be reviewed later. In about one

month the Committee will review recently acquired technical data and determine what changes will be required in NIE 11-5-61 and other missile related estimates.

**NOTE :**

Subsequent to this meeting, the USIB representatives met to discuss the possible changes to be incorporated in NIE 11-4-61. Preliminary views on such changes must be provided to ONE before the end of July. GMAIC will review the service contributions to ONE on/about 19 July.
